Flamborough & Filey SPRING WILDLIFE WEEKEND Sat 4th - Mon 6th May 2019

All Events are Free

All events are weather permitting and late changes may occur.
Please check our websites www.fbo.org.uk or www.fbog.co.uk from 7pm the evening before to ensure the event is going ahead.

Flamborough Bird observatory information centre every day 10am-3pm in The Discovery room at The Living Seas Centre, South Landing, Flamborough.

Sat 4th May:

6am-12pm. Filey - Bird-ringing Demonstration. See wild birds up close and in the hand, and learn about their incredible lives from the FBOG ringing team's experts. Families welcome. Filey Country Park (follow signs just beyond cafe).

6am-9.30am. Hunmanby Gap - Visible Migration session. Join expert Keith Clarkson and witness the wonders of visible migration. Drop-in Session -Park in the car park at the end of Gap Road, the vis-mig point is just to the north of you on the cliff top.

8am-12pm. Flamborough - Bird Ringing Demonstration. The Living Seas Centre, South Landing, Flamborough. See birds up close - FBO's ringing team will be demonstrating bird ringing and explaining its importance in understanding bird movements, longevity and future protection.

11am-2pm. Flamborough - Puffin Watch. Near the Fog Station, Flamborough. FBO experts will be on hand to point out the Clowns of the cliffs as well as the many other seabirds who make Flamborough their home for the spring and summer.

12pm. Filey - Seabird Special. With Mark Pearson. Join Mark for the short walk to the clifftop to enjoy our seabirds (Guillemots, Razorbills, Fulmars, Kittiwakes and more - and hopefully Puffins!) and learn all about their incredible lifestyles. Families welcome. Meet in the Country Park top car park.

1.30pm. Flamborough - Guided wildlife walk- Meet at the Lighthouse Car park. Join FBO experts on a wander round the Outer Head in search of arriving spring migrant birds, Oil Beetles and more.

7pm (for 7.30 start). Flamborough - The Wonders of Visible Migration. The Living Seas Centre, South Landing,

Flamborough. A talk from the Vis-Mig expert Keith Clarkson, hear all about his pioneering approach to witnessing the spectacle of bird migration and all about his Vis-Mig hotspot-Hunmanby Gap.

Booking Essential-email tonyhoo74@gmail.com
